There was a woman clothed with the sun, with the moon under her feet and a crown of 12 stars on her head. She was about to have a baby.

Then another sign appeared in heaven: a giant red dragon with 7 heads and 10 horns and 7 crowns on its heads. Its tail swept a third of the stars out of the sky and flung them to the earth.

The dragon stood in front of the woman because it wanted to eat her child the moment he was born.
