***THANK YOU***

**Thank you** for the prayers, cards and other expressions of sympathy. A special thanks to Chad Boorsma who was so helpful in so many ways. *Laura Verbridge*

**Thank you so much** for all the expressions of care as I recovered from my neck fusion surgery. My basket of cards was overflowing, and I felt your love as I read each card. I’m so thankful for the loving community at LaGrave and for all the prayers offered on my behalf. I am healing well and am back doing things at church that I love. *Jean Scott*
